Spring 1992

Real Men Wear Black

Spring 1992 was a great year for the FUBAR's. This marked the first year we had jerseys and also the first year we had a very competitive team. Going so far as the final four but losing the game by a score of 10-8. So close. I could see the championship getting within reach though and all the hard work was paying off – However, I would have to settle for another year of experience and begin to regroup for the following year. At this point in the FUBAR's though I had a pretty solid group of players with five veterans and a good group of new recruits aggressively drafted from the farm teams (like that baseball jargon don't ya?) - The likes of which Craig Weaver, Christian Smith and FUBAR Hall of Famer Ed Gordon would emerge.

THE NEWS!

FUBAR NEWS

Hello men. How art thou? Did thou havest thy most enjoyable and festive of holidays? We art merry to have word of it. O.K., I'll stop being weird (No comments please!) Well, the FUBAR NEWS CORPORATION (FNC) reopened it's offices on January 1st, 1992! Yes, it does take this long to write a newsletter. FNC was busy trying to get in touch with Rui Pereira. It appears that over the holiday season, to make ends meet, he took a job as a Santa Claus (No Max, Santa Claus is not REAL!) and was fired for going YO-YO-YO DUDE all day long. It also takes a while to get our humor back as well. Here's the deal...

The softball season starts on Sunday, January 26th. The FUBAR's will have it's first practice on Saturday, January 18th (This Sat.!). This is a MANDATORY practice! You must attend, or make prior arrangements with FNC. I'm sure something can be worked out? Now, on to a matter of some sensitivity...The TWENTY-FIVE Dollar "DONATION". You have to get in touch with FNC and make your "DONATION" by the practice on Saturday, January 18th. As well as the aforementioned, you should get in touch with FNC and let us know what number you would like on your jersey. The following numbers were already taken - 1 - - 7 - - 12 - - 17 - - 36. So, get your choice in now! If it is possible, FNC will have a representative come from CUSTOM GRAPHICS to show us ideas for team jerseys, so far the choice will remain BLACK w/ WHITE Lettering. NEWSFLASH- FNC will be in touch with a representative on Tuesday, January 14th.

Here's what the starting team looks like as of January 1st, 1992-

Chris "Look out cruel world!" Roth-	- - - -	Pitching
Chris "I want a better quote." Smith	- - -	1st Base
Jeff "I don't deserve a quote." Engel	- - -	2nd Base
Dan "Contract re-negotiations." Panciello	-	3rd Base
Kevin "I am no Mortal!" Russe	- - - - -	S. Stop
Paul "Cut me a break, I'm a Portagee" Oli.	-	Catcher*
William "I'm not a quadraped!" Thomas	- - -	L. Field
Max "I got rooked big man!" Dipietro-	- - -	C. Field
Rui "Dude, I'm A PORTAGEE!" Pereira	- - - -	R. Field
Dave "I thought I had a clue?" Moeder	- - -	ROVER???

Substitutes-

Arryn "If I show up" Milne- - - - - - - - - - Catcher/DH

* We here at FNC believe it was unnecessary to print all of Paul's last name as he has been complaining to FNC about his current contract with the affiliate. Screw off ya' bum!

Anyway, we at FNC hope you will all be at practice Saturday, as of now, assume practice will be at 1:00pm at the on-campus field. Remeber the FUBAR pledge:

I your name here AM NOW, AND QUITE PROBABLY WILL ALWAYS BE A FUBAR;
AND I WILL NOT FOR ANY REASON INCLUDING SCHOOL, JOB, WOMAN
(negotiable), ETC. MISS THE OPPORTUNITY TO PLAY SOFTBALL!

FUBAR NEWS-

This week, the FUBAR News Corporation (FNC) will tackle the following issue: What is a "PORT-A-GEE"? Some believe it is a person who comes from the country of Portugal, located west of Spain in Western Europe. However FNC begs to differ... It is our belief that a "PORT-A-GEE" comes from the vast desolate wasteland known as Newark, New Jersey (that includes Kearny as well Rui). Not that New Jersey itself isn't a wasteland, it's just a wasteland of another sort - one without "PORT-A-GEE's". Newark on the other hand unfortunately is plagued (wasteland of a football team) with them! This outright attack on "PORT-A-GEE's" is spawned from a blunder last Sunday by a "PORT-A-GEE" who shall remain nameless (it was "Rui"). For some odd reason with a man on first base and himself on second-base, Rui decided that after the ball was hit on the GROUND, he wouldn't run unless told to?! Now correct FNC if their wrong, which by the way they never are, when you are on second base with a runner on first base and the FORCE OUT is at third base-- a ball hit on the ground would logically tell you to RUN! It has come to our attention that we here at FNC have badgered Rui enough on the matter and hope the mistake will not be made again! Maybe next time we can get Rui off second base by yelling, "Run Rui, it's immigration!". On to the other "PORT-A-GEE"... Paul "illegal alien" Oliveira. FNC has been plagued with rumors that Paul has been deported. There will be more on the story next time.

Now on to merrier news. Sunday January 26th saw the FUBAR's hosting a game against "FEEKO SUAVE". A little shaky, but the FUBAR's managed a 5 - 3 victory over the "PORT-A-GEE's" (as quoted from Kevin "Ball-Master" Russo). Sunday was also the unveiling of the FUBAR's new "look"...here's the motto, "FUBAR's: REAL MEN WEAR BLACK" (original huh?). Anyway, this Sunday, February 2nd pits the FUBAR's against their nemesis - GROUND EFFECT. Not that the FUBAR's have ever met these,, let's just say "immortals" in a game before (obviously, 'cause we're still alive!) but they have won the softball championship three times! These giants among men are a force to be reckoned with, but FNC has confidence in it's team and truly believe they can prevail! However, in order to prevail, FNC believes a practice is in order So, this SATURDAY, FEBRUARY 1st @ 1:00pm - 4:00pm there will be a MANDATORY practice on the campus field. If you cannot attend, get in touch with FNC as soon as possible. For you who are interested, here's the stats from last Sunday-

Chris "I forgot how to pitch!" Roth..	2 for 3 w/ a double & a RBI-----	(0.666)
Kevin "Stout Shortstop" Russo.....	1 for 3 w/ an RBI-----	(0.333)
Max "I can make it to games!?" Dipietro...	1 for 3 -----	(0.333)
Dan "You is out homey!" Panciello....	1 for 3 w/ a run-----	(0.333)
Dave "I want Rover back?!" Moeder ...	1 for 3 w/ a run-----	(0.333)
Rui "It's lonely in right field!" Pereira..	0 for 3 w/ a sacrifice-----	(0.000)
Wil "GAZELLE BOY is BACK!" Thomas....	1 for 3 w/ a run-----	(0.333)
Jeff "Not a clue!" Engel.....	1 for 3 w/ a run-----	(0.333)
Paul "I apoligize for being a PORT-A-GEE" Oliveira..	0 for 2-----	(0.000)
Ed "I want a SUPER Nintendo!" Gordon.	1 for 2 w/ a run-----	(0.500)
Craig "I've fallen and can't get up!" Weaver..	1 for 1 w/ a leg cramp?---	(1.000)

Well, there you have it, the current stats. Don't worry about them, they don't mean a thing until later and besides there are plenty of games to bring your stats up if they aren't to your liking. They really don't mean much, just think you might want to know them.

To sum, the FUBAR's will be having a practice and game on the following dates-
PRACTICE - SATURDAY FEBRUARY 1st @ Campus Field from 1:00pm to 4:00pm MANDATORY
GAME - SUNDAY FEBRUARY 2nd @ Campus Field from 3:00pm to 4:00pm vs. GROUND EFFECT

LATER all and FNC hopes to see you soon - REAL MEN WEAR BLACK!

FUBAR NEWS-

Hello again FUBARians. How are we in this fine month of February? Glad to hear it. Well, on to the first order of business. It appears there was much controversy over the final play of the FUBAR's last game versus their nemesis GROUND EFFECT. It appears Dave "I've been a bad boy" Moeder almost committed a huge blunder. When approached by FNC for comments, all Mr. Moeder would say was, "I just want to apologize to my fellow players for my blatant disregard for our team and their ability as ball players." Max "Where's my microwave?" Dipietro said some words at the press conference about the matter..., "This is a team-sport big-man, we have to work together not against each other." To which FNC replied, "Yes, we have to work together Mr. Dipietro, where's the five bucks you owe us?" Lastly, Kevin "Golden Glove" Russo took the podium and said, "All I have to say is I don't know that doofus got to be our captain!" FNC has dealt with the matter and Moeder had to retake the FUBAR pledge along with the following amendment...

... OPPORTUNITY TO PLAY SOFTBALL AND WILL NOT RUN DOWN FELLOW PLAYERS TO MAKE THE LAST OUT OF A GAME!

FNC hopes the matter is closed. Now on to real news. This past Sunday, Feb. 2nd, 1992 saw the FUBAR's battle their rivals GROUND EFFECT. The stadium was packed to sellout crowd of thirty-five thousand screaming FUBAR FANS (O.K., it was more like TEN FUBAR FANS, but who's counting?) The FUBAR's clinched their victory in the bottom of the sixth inning with a score of 7 - 5! This was a big victory for the FUBAR's who were still unsure of themselves after their win over FEEKO SUAVE two weeks ago. Sunday saw much excitement for the FUBAR's who jumped to a 2-0 lead in the first inning from dual sac's by Moeder and Dipietro bringing in the number 1 & 2 batters - Roth and Russo (a little R&R?!). Mr. Wil "GAZELLE BOY" Thomas was not at the game, but was temporarily replaced by Chris "I may be quiet, but I'm deadly!?" Smith who proved to be an asset in left field! Max "Debt Man" Dipietro and Ed "Gordo" Gordon had a big game in the outfield, and both once again exhibited their potential and let GROUND EFFECT they mean business. Rui "Dude, I'm O.K. w/ immigration?" Pereira didn't see to much, but played back on the ball well and almost made the play of the game! (Nice Try) Now, to the infield, The Panciello/Russo combo were out in full force, but they were robbed of an out at third which was overturned by League Chairman J.B. "Eyes Closed" Caldwell. On the right side of the infield was the Engel/Moeder pair. These two guys didn't see all that much, however, Jeff "I swear my eyes were open" Engel had an impressive catch at second. Lastly was the team of Chris "My arm is worth more than a Super Nintendo System" Roth and Alex "the rookie" Jahn. It is still too early in the season to determine Alex Jahn's potential and future in the FUBAR organization, but with Roth, that task should be easy. Due to FNC's past knowledge of Chris "million dollar arm" Roth's performance and his performance at Sunday's game, we at FNC can tell you - "He ain't goin' nowhere!"

MVP's of Sunday's game

Chris Roth	3 for 4 w/ two RBI's and two RUNS and some hellacious pitching
Rui Pereira?	3 for 3 w/ two RUNS and an RBI and some good field playing
Kevin Russo	3 for 4 w/ a double an RBI and a RUN & " " " !

Well gentlemen, no stats this week, you all were worth a 1000 Good Playing! I'll get in touch with you to let you know when our practice will be (probably Sat.) Later Boys...

DAVE
-Capt-

P.S. Suspicions were correct, Oliveira was deported!?! Or was he?

FUBAR News Corporation

Hello again FUBAR's ...

It has come to the attention of the FUBAR NEWS CORPORATION (FNC) that they are faced with a dilemma. No way - Way; No way - Way, O.K. Excellent!? AnyWay, FNC is facing some difficulties. It appears that due to the recent demise of the FUBAR's, ticket sales and fan-turn outs have decreased significantly. Thus causing a peristaltic drop in revenue! So, how can the problem be overcome? you ask. Simply by winning games (easier said than done). It appears the FUBAR's lost there second in a row last Sunday despite having no outs and runners in scoring position! FNC could not understand this loss, it was, as it is known at FNC headquarters...an unfortunate circumstance! Co-Captain (49%) Kevin "Wild-Thang" Russo was approached after the game for comments, but all he would say was, "You know what this means to us don't you? Well don't you? (eyewitnesses say reporter at this time shook his head in bewilderment) ... Well let me show you ..." (eyewitnesses stated that Kevin "Wild-Thang"? Russo impaled the reporter with a rake?) Other minor incidents soon followed, such as the fire-bombing of various BEAST OF THE EAST vehicles. No suspects have been apprehended as of yet, but sources say one of the alleged was seen as quote, "galloping away?" FNC denied questioning by reporters, but did say that, "FNC controls all, our men don't move unless we say move, or here's more money, or something of the sort!" Sunday also saw the hospitalization of a one - Co-CAPTAIN (51%) Dave "Homer-dome" Moeder. It appears that he was attacked by Rui "alien-immigrant Supreme" Pereira who utilized the ancient Port-A-Gee offense known as "Babblism". Moeder was reported as being carried off screaming, "Shut-Up -Rui, Shut-Up!?", Rui only statement was, "Dude, he made me catch?"

In other news, FNC has stated in a recent press conference, "The FUBAR's will be back, it is only a matter of time ... one thing the team will have is FUBAR PRIDE - a tradition of excellence." later in the conference FNC also came out to say, "Of course there is that matter of practice as well?"

PRACTICE-

Saturday from 7:00pm to 9:00pm @ Campus Field - **MANDATORY!!!!**

GAME-

Sunday @ 3:00pm @ Campus Field versus WON BY ONE

The following is an interview which was conducted by FNC w/ Steve "Bookie" Taylor...

FNC - "Mr. Taylor, thank you for joining us!"

SST - "I'm glad to be here - NOT!"

FNC - " Mr. Taylor, how do you feel about the recent display of softball skill by the FUBAR organization?"

SST - "What recent display of softball skill?"

FNC - "What do you feel the future holds for the FUBAR organization?"

SST - "Some more wins - I hope?"

FNC - "What do you feel the FUBAR's can do to improve their game off the field as well as on?"

SST - "Those bunch of losers should go to practice and learn to hit the ball. Oliveira should get some sleep before games! Rui should start thinking. Lay off Max's Super Nintendo system Dan and everybody in general - GET YOUR HEAD OUT OF YOUR #@!%#!!!"

FNC - "Lastly Mr. Taylor, do you feel the FUBAR's have a chance to win the championship?"

SST - "If the FUBAR's plan to capture the championship, they better remember how to win a game!"

FNC - "Thank you Mr. Taylor for your time and honesty (NOT!)"

SST - "Sure, yea, yea so, you'll send the check directly to my account right?!"

Well folks, that's it for this weeks newsletter, so we will see you all at practice. By the way, MVP of last Sunday's game was, that's right you guessed it Dave "Boss-Man" Moeder w/ a two run homer. Well the MVP of the losing team, which shouldn't be possible, but remember, FNC can do anything it wants to!

Later Boys,

FUBAR's - RE-UNIFIED

Hello again gentlemen. Welcome to our forum. (yea' right!). Anyway, here's the news- Last Sunday, March 8th saw the FUBAR's pitted against WON BY ONE, a team rumoured to eat their opponents alive. Well, the FUBAR's did all the chewing Sunday and defeated them by a score of, and hang on to your hats (NOT!) - 3 to 2. The FUBAR's left something to be desired of it's offense, but played defense like a brick wall - un-breakable (by conventional means anyway; just want to keep the engineers off our backs here at FNC.) Chris "Golden Goose" Roth was approached after the game for comments, but was too busy hugging teammates for questioning. Ed "Gordo (which means "fat" in spanish - a slight oxymoron" Gordon was approached for comments as well, "Well, I'm glad to see the FUBAR's are back in shape, I can't explain myself, I went donut on offense, but defensively, I would be considered among the greats of the game!" Stephen "Book Boy" Taylor was asked for his comments after the game ... , "I'm glad to see they took my advice and got their heads out of there -----, however it was a tad bit scary when the Chris² showed up after our team was already called by forfeit, the luck just doesn't run out for the FUBAR's." FNC would like to intervene here and make a comment, "We here at FNC would just like to thank J.B. "Eyes Closed" Caldwell and the other members of WON BY ONE for that game. It was up to them whether we played or not, they made the mistake.!" Back to news... Just because the FUBAR's have won a game and are "Back in the saddle" again (Aerosmith, Rocks c 1975.) does not mean that they can just take some time off. This Sunday, March 15th pits the FUBAR's visiting the BUSH PILOTS @ 11:00am Campus Field. This team is rumoured to be unpredictable, so FNC has taken measures to secure a win (No Rui, we didn't talk to them until blood came out of their ears), FNC has scheduled practice³. The following times will be practice times and your schedule for the week:

PRACTICE-

Saturday March 14th from 10:00am - 12:00pm @ Campus Field

Saturday March 14th from 16:00pm - 18:00pm @ Campus Field (4-6pm for non-military)

GAME-

Sunday March 15th at 11:00am versus BUSH PILOTS @ Campus Field

ALL PRACTICES ARE MANDATORY ATTENDANCE UNLESS VIABLE EXCUSES ARE BROUGHT TO FNC!!!

There appears to have been a breach of security in the FUBAR NEWS CORPORATION. A few weeks ago FNC mentioned the upcoming release of the WIL THOMAS STORY. After much heated debate at the bargaining table, Wil Thomas and FNC could not come to terms, so the Spring release was put on hold. Well it appears that two copies of the story have escaped FNC publishing district, the FUBAR PUBLISHING CORPORATION. FNC would appreciate the return of the aforementioned items. If they are promptly returned, no questions will be asked and FNC will consider the matter closed.

In other news, last Sunday's game saw the absence of three FUBAR's... Max "Top Gun" Dipietro who was out doing the flying thing. That's not the interesting story, this is... Paul "illegal immigrant" Oliveira and Dan "Lobotomize me" Panciello or Kyle and Richard Petty as there friends call them were given a counseling session by one of Virginia's finest. It apparently went something like this..., "O.K. you worthless little punks, drop to the ground with your hands on your heads." Paul and Dan were very cooperative and Paul even got to stay in one Virginia's fine jails. This incident will have no effect on Sunday's game, and the FUBAR's will be fine Sunday. FNC will not verify the validity of this story, but is presented to you from interviews with the alleged...

See ya' all @ the game (practice first!)

Later Boys,
DAVE (Capt.)

FUBAR News Corporation

Hello

How are we?! I hope we are enjoying this fine week of March. FNC is currently counting revenue acquired from last Sunday's game. It seems with the recent bounce-back by the FUBAR's; fans have been coming out of the woodwork! FNC wishes to thank it's class "A" ball club. Well, on to the news...

Last Sunday, March 15th saw the FUBAR's play against the BUSH PILOTS. Well not too many words can describe the BEATING, PUMMELING, BASHING, SMASHING, CRUSHING, HUMILIATING defeat the FUBAR's imparted on there enemies. The FUBAR's ROMPED by a score of 13 to ONE, UNO! The game was no contest for the FUBAR's and when the smoke cleared, the FUBAR's were the dominant! Some FUBAR player's were approached after the game for comments; Dave "Big-Man" (as dubbed by MAX "primitive" Dipietro) Moeder (team Capt. 51%) was asked for his views of the game to which he replied, "We came as a team, played as a team and kicked A-- as a team!" Ed "Delgado" (which means THIN in Spanish?!) Gordon was approached about the game but all he would say was, "Hey, they made me sit an inning for no reason, outta' my face dirtbag!" Rui Pereira was asked for his views on the game, "BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH BLAH Dude...Yo DUDE?!" Other FUBAR's were approached, but too busy for questioning: Chris "Rubber-Limb" Roth was seen kissing the pitching rubber after the game, and some eyewitnesses say they saw a person wearing a FUBAR jersey on ALL FOURS prancing around first base?! Craig "I THINK I CAN?" Weaver ran off as soon as the last out was called!

Now for some upcoming information:

PRACTICE NEWS-

Saturday March 21st, 1992 from 12:00pm to 2:00pm @ Campus Field.

Saturday March 21st, 1992 from 6:00pm to 8:00pm @ Campus Field.

PRACTICES ARE MANDATORY!

GAME NEWS-

Sunday March 22nd, 1992 at 12:00pm NOON versus THUNDERBATS @ CAMPUS FIELD

* FIRST WEEK OF PLAYOFFS!

Update! It appears that after much heated debate, a settlement has been made. It appears that last Saturday March 14th, 1992 the FUBAR NEWS CORPORATION with it's affiliate the FUBAR PUBLISHING CORPORATION (FPC) went over contract negotiations with a Mr. William "Four legs good, two legs bad" Thomas about the release of his book, RUNNING with the GAZELLES: The Wil Thomas Story. After hours of negotiations, an agreement was finally made. The contract called for a publishing run and circulation of about 2,000,000 copies with 22.4% of profits returning to Wil Thomas plus an additional 2,500,000 copies for Wil to shred and use as stall bedding? FPC was glad to say the negotiations were over. Both parties were too busy for interviews, but both did say they felt they got the better of the deal?!

In other news, Stephen "Bookmaster" Taylor was arrested and charged with illegal gambling. It appears that having access to all FUBAR Records, Mr. Taylor placed various bets for and (yes it is sad) against his parent team. Mr. Taylor won an estimated seven and a half million cases of beer from the Anheiser Busch brewing company. Mr. Taylor was approached about the matter all his comments were was, "I like beer, I mean, I Really like beer!" Mr. Taylor was also reported as saying, "I'll be out in time for playoffs!" The FNC denied all attempts for an interview, but did say, "We aren't worried about Mr. Taylor's situation, FNC takes care of it's people!"

That's it for the news gentlemen, and I am outta' here, but remember this quote by a wise softball player,

"The game is not over until they pry my cold dead hands from my mitt!"

FUBAR News Corporation

How do you spell relief?

How about with an 11 to 9 victory in the first game of the playoffs! Works for us!? Well, the playoffs have started and last Sunday, March 22 saw the FUBAR's pitted against it's weekly nemesis - THUNDERBATS. Well, except for some scary moments and deficient defense by the FUBAR's, the THUNDERBATS will be referred to now as the BLUNDERBATS!? Believe it or not, at one point in the game, the FUBAR's were losing and showing no signs of a potential comeback! But lo' when thou hast expected none but thy lest, thou must support thineself upon thy bat-work of master Dipietro. Max "Tag it, Bag it, Call it gone!" Dipietro hit a three run home run to bring the FUBAR's out of its' slump. Following Mr. Dipietro's homer was FUBAR Capt.(51%) Dave "call me BAT-MAN" Moeder with another solo home-run. After Moeder (Capt. 51%) was Ed "I'll show you boys how it's done" Gordon who believe it or not stroked a, that's right you guessed it a solo-home-run. Finally Dan "That's right you put me in" Panciello topped off the streak with a solid triple (and eventually brought in by Kevin "Two for Two" Russo (Capt. 49%)). Steve "I didn't bet on this game?!" Taylor was approached for comments after the game to which he replied, "That's my boys!" Kevin "Call me Stroke!?" Russo (Capt. 49%) was approached after the game for his views to which he replied, "Intense, %#@!%\$ Intense!" Rui was approached for comments but was too busy milking Chris "Lord of the Mound!" Roth for money for his broken OAKLEYS ... "Dude, that's fifteen bucks dude!?"

It appears that many of you FUBAR's, being of a slightly lower intelligence class, especially Dan "I've been lobotomized!?" Panciello are a little upset over the words deficient defense. FNC is not saying it's ball-club played bad, just a little off! FNC wishes to apologize to any players this may have been offensive to! DAN, we're saying we're sorry!? Dan "I do have a clue?" Panciello approached FNC and stated that he will not read the FUBAR News if he is not featured in it. He also expressed his discontent about FNC stating that he has undergone a lobotomy and feels it is outrageous that FNC cannot tell whether or not he has a brain! So, FNC admitted Mr. Panciello into the FMC (FUBAR Medical Center) for head X-rays, the following was found:

Normal Skull?

Panciello Skull

Includes:

- Beer
- Cigarettes
- Non-Earth material?

As you can see by the results, Panciello is a regular all-around FUBAR! (NOT!?) Anyway, enough ripping on the guy, how much can one person take? Here's the info. you all need for this week...

Practice NEWS-

"It's a very simple game, you throw the ball, you catch the ball, you hit the ball. Sometimes you win, sometimes you lose, sometimes it rains."

FUBAR News Corporation

Hello my fellow FUBARians.

Well, it appears that last Sunday, March 29th ended the season for the FUBAR's. The FUBAR's started off the day of softball festivities @ 12:00pm at the Derbyshire sports complex with a game against the BUSH PILOTS. The PILOTS rallied early in the game, but they couldn't hold off the onslaught brought down on them by the FUBAR's. The FUBAR's won the game by a score of 11 to 3. After a one hour sabbatical, the FUBAR's were pitted against RON CON COCA; an immigrant team from the Dominican Republic (whom only Rui could understand, go figure!?). The CON COCA's rallied big in the first inning of play scoring seven runs against the FUBAR's. Although the FUBAR's made a valiant attempt, they could not come back and were defeated by a score of 10 to 8. So, the FUBAR's advanced to the final four, but were denied a chance at the championship. FNC would like to say at this time that it feels its ball club had a hell of a season. FUBAR captain Dave "I'll be back!" Moeder (51%) was approached for comments to which he had this to say, "I've only got two words to say, Spring '93!... Or maybe three words?" Stephen "I am the BOOKMASTER" Taylor was approached for his opinions..., "It can only be summed up as BLACK SUNDAY!" Ed "Rookie" Gordon was asked for his comments, ... "I got nothin' to say." Rui "I came, I saw, I talked till I was hoarse" Pereira was too shaken up by Sunday's incident for comments. Various other FUBAR's were asked for their views on the occurrences...

Craig "Das' Right" Weaver, "Aw man, I thought we had it!?"

Wil "I'm not a #\$\$%&! Gazelle!" Thomas, "That was a load of crap, we had that game!"

Chris "Pitching Machine" Roth, "I don't know what happened, We just didn't get it together...Damn!"

Dan "If I only had a brain" Panciello, "They just hit, I mean they just hit well; Nothing we could do, nothing!"

Jeff "Back in the Saddle" Engel, "Tough break...Damn this sucks!"

Chris "All-Star" Smith, "It was hell, the field was not a pretty place!?"

Max "MIA" Dipietro, "Big Man, What happened?, I thought we were in!"

Kevin "I want Blood" Russo (Capt. 49%), "I only have to say, We Will be BACK!, and taking no prisoners!"

Well FUBAR's so ends a great season of softball, the Final Four of forty teams, a victory in itself. FNC will notify the time and place of the first annual FUBAR-B Que '92; after verification with the FUBAR ball-club. Great work! Later fella's this is your captain (51%), and all around great guy...

From the New York Times #1 Best-seller:
Thomas...Leader of the Pack

The temperature was rising past 100° as noon approached. Packs of lions could be seen from the worn path which served as the main artery through the Serengeti. They were no threat though. Most were resting in the shade of shrubs or if they were fortunate a small tree.

But this was not the Thomas couple's concern. The lord was their concern. Missionaries sent to the third world nation of Tanzania. The two were sent to reach out to isolated tribes in order to civilize. Three years before, the couple came alone... six months ago, the two became three...

The third was a child of strength, of determination, of mental deficiency. He knew not of fear, nor of danger. This trait proved to change his life before it had a chance to begin.

The landrover gasped and choked and even with the motor running, they could hear the boiling inside the radiator. They had to stop.

As the big metal beast rested, animals resumed activity. Wil watched them in fascination. Lions hunted, Hyenas followed close behind and then he saw them ... Gazelles! Swift footed, full of grace. Wil screeched excitedly, he reached his hands out - farther - farther...

Wil fell from the rover with an audible whump! His outstanding hands which yearned to touch the gazelles, which were about a quarter of a mile away, saved him from injury. He sat up and all was silent except for the deafening snores from inside the rover. His father continued working on the vehicle.

As Wil made his way towards the gazelles, the tall grass which engulfed him and divine intervention saved his life. Nearby predators neither saw nor sensed Wil's vulnerable position and about an hour later, Wil reached the gazelles...

There he sat surrounded by the gazelles. Questionably, the gazelles sniffed him, licked him, marked him as their territory. Wil gurgled happily. He knew he was home.

Wil's biological parents hadn't noticed that he was gone until hours after they resumed their journey. As the sun painted the sky a deep red, they completed a complete retrace of their drive to no avail. They wished Wil the best, but feared the worst and with pain and grief continued on...

Wil spent most of the day on the back of his new "mother", a young female gazelle. She fed him and protected the innocent child. That night, he learned about danger. Lion packs kept them on the run. Instincts which Wil would learn kept them alive.

Over the next few years ~~the~~ gazelles showed Wil how to graze, sense danger and... run, that was most important. Wil learned to run fast - foot over hand over foot over hand ...

Being slightly more intelligent than the wisest gazelle in the herd, Wil learned relatively quickly and soon was able to pace the gazelles. He was no longer a handicap,

rather his human cunning and strategy made him an asset to the herd. Within the herd he was considered the wisest- thirteen years passed since he left the landrover...

In the spring, Wil felt the urge for the first time. The urge to create another gazelle to roam the Earth. He had to find a mate, but who? The only female gazelle he really knew was ... yes, that's it! - his mother! Wil would mate with his mother? months passed...

When his mate produced no offspring, he was driven into a deep depression. He knew he didn't belong with the gazelles, but he didn't know where he belonged. More importantly he loved the gazelles but, he had to leave. But he couldn't leave, but he HAD to leave! Eventually the quadruped would wander into civilization...

Wil was reunited with his parents and is now studying in college. He has broken most of his habits although, sometimes one can catch him walking on all fours, grazing in nearby (left) fields, and running in fear. He has not forgotten how to run fast and today you may find him displaying his speed on the base paths or in left field. But deep down, Wil wishes he could get one last chance to - run with the gazelles...
