Fall 1992

“Home Sweet Homecoming”

Fall 1992 was the turning point, our "Gettysburg" if you will. We had lost Max and Dan - Which hurt. Dan Panciello, who only played one season (Spring 1992), was one of those guys that just made it look too easy. He would make plays none of us could ever dream of—at least not at this stage in our careers. He was almost like a goalie at third base just getting in front of the ball no matter the cost. I studied him a lot and took a lot of that "instinct" to the position when I finally took over down the road.

But I digress, the Fall 1992 "season" was a great turning point for us as this was the first time we won the whole thing! With no regular season play, Fall 1992 consisted of just the playoffs in the form of a single elimination tournament. I, along with Chris Roth and Kevin Russo, aggressively pursued a few players for the tournament team. We were fortunate enough now to have eight seasoned FUBAR veterans and for this tournament acquired some good solid players including Ron Doles who would go on and play with us for a couple seasons before his coup attempt in the Fall of 1993 and Bobby Romero another guy who was just phenomenal (but unfortunately leaving school at the end of the semester.) In any case, we won this tournament but, this was still just a stepping stone, I wanted to win the full "A" league season championship! I wanted all the glory and thanks to all our hard work, little did I know, I wouldn't have too much longer to wait...

FUBAR News Corporation

Hello again my FUBARians!? How are we this fine week of Oct.?
Well, let's get down to the news: Last Sunday, October 25th, the FUBAR's were pitted against the 99.9FM team. Although most of the FUBAR ball club has been out of practice, the FUBAR's clinched a 16-8 victory! One FUBAR was quoted as saying, "I listen to 102 Jams anyway" The FUBAR NEWS CORPORATION (FNC) will not release the name of this individual...PIMENTAL, BOX ...

After a press conference Monday, the FUBAR MANAGEMENT (FM) stated, "We've got our boys!" FM also wishes to thank all those who were at the game in support of the FUBAR cause. The game Sunday also brought in another prospect for the FUBAR ball club; Jeff "the wildman" Wood. FM said, "He's in, He's ours!" Jeff Wood said at the press conference, "I don't know yet, I don't want to cut myself short!?" FUBAR MANAGEMENT said they feel confident with their tournament squad.

On to other news; FUBAR affiliate SUDDEN IMPACT, captained(???) by Chris "the rail!" Roth dominated the Co-Rec softball league at Embry-Riddle Aero. Univ. this past Monday Night. It appears that after an undefeated season, SUDDEN IMPACT won two straight to take the championship! However, due to the intense nature of Co-Rec softball, Ron "I'm from Joisey Man!" Doles was injured. He was admitted to the FUBAR MEDICAL CENTER (FMC) late Monday night. His doctor, Dr. I.M.Sore PhD said, "Ron is a strong man, he'll do fine as long as he doesn't, well, you know!?" FUBAR Management placed RON on the DL list, status is day to day. Another injury, Chris "jello shoulder" Roth is nursing a 14 day DL. His status is tentative. Chris said at a press conference, "Dude, I don't care about the consequences, I'm playing come November 2nd!" Despite his efforts, Roth is still tentative! SUDDEN IMPACT players were quite satisfied with their victory. Some individuals even started chanting, "You guys suck, you guys suck!" and dancing around the losing team weilding bats! The festivities continued for some time until Chris said, "Don't let Ron get away, he's buying the KEG!" Ron "It hurts to touch myself?!" Doles was last seen heading North on I-95 at speeds in excess of 65!?

Back to the FUBAR's; it appears that there has been some complaints in the FUBAR ball club as to where some people will be playing, etc. FUBAR MANAGEMENT reserves the right to withhold any and all info. it deems "classified" from FUBAR ball players. However FM did state that there will be no special treatment for veteran ball players (that is unless there is a crisp-one invloved!?). FM states that the ball club will be run according to the benefit of the team!

As well as favoritism, FUBARians have been upset at FNC's "lack of coverage" of various members of the squad. FNC will cover all "bases" and cover all players. Each week FNC will run a special newsletter centering on one individual player. Next's week featured player will be; Jeff "3rd String" Engel; How I was a star second baseman and lost it all! The follow-up will be on Rui "I could spittle up to ten feet" Pereira; Why he babbles?

FUBAR's; the HOMECOMING TOURNAMENT is NOV 2-5. NEXT PRACTICE-SUNDAY @ CAMPUS FIELD time- to be announced.

See you all soon, and remember, "Real Men Wear Black!" Later Boys-

DAVE (capt 99%)

 8-92

Due to FNC popularity, it was requested that an additional page be included with this newsletter. FNC will utilize this to exhibit the 1992 EMBRY-RIDDLE-AERO. UNIV. Homecoming team;

Chris "Rag-Arm, Rag-Weed" Roth- Pitcher (DL-tentative)
Craig "I'm better than this" Weaver- Catcher
Ed "the stick!" Gordon- 1st Base
Jeff "benchwarmer" Engel- 2nd Base
Kevin "the trap" Russo- Short-Stop
Brad "the stroker" Green- 3rd Base
Chris "the man, the myth" Smith- Left Field
Bob "need for speed" Romero-Center Field
Rui "I still can't dress?" Pereira- Right Field
Dave "yo' King" Moeder- Rover
Tim "downtown" Pimental- Utility (Outfield)
Jeff "Homerdome" Wood- Utility (Infield/All quadrants)
Ron "I've fallen and..." Doles- Utility (Infield)

FNC has confirmed from FUBAR MANAGEMENT that the above players are not exhibited in the starting positions, but by there past playing positions. There may/ may not be changes to the line-up prior to game time on Monday, Nov 2!?

Last order of business. FNC lost a very valuable person from it's ball club this season. Steve "Record KING, and ALL-Knowing stat analyst" Taylor has left the FUBAR organization. It appears that of all things, Steve has finally graduated. Go figure! So FNC wishes it's congrats to Steve and would like to recognize his efforts and assistance to the ball club! Basically, were back to doing our own books!

Actually the last order of business is to thank our band/cheering section last Sunday. Thanks?

See you Sunday...

FUBAR NEWS CORPORATION

Hello FUBARIans and FUBAR prospects. Well it's about that time again...time for softball. There have been some changes to the FUBAR ball club during/since the past season. Some of which are the following: Due to failed negotiations, FNC has canceled contracts with Max "deserter" Dipietro, Dan "lobotomize me" Panciello, and Wil "Gazelle" Thomas. The aforementioned players have been stripped of all playing clearance and FUBAR benefits. FNC was unavailable for comments. However, FNC did say that the following FUBAR prospects have been acquired on a "tentative" basis: Tim "the mouse" Pimental, Brad "mean" Green, Bob "Speedy Gonzalez" Romero, and Ron Ron "I touch myself" Doles. Therefore, FNC has released its' team roster for the great Embry-Riddle Aero Univ. homecoming tournament;

Dave Moeder	Kevin Russo
Ed Gordon	Chris Roth
Rui Pereira	Jeff Engel
Christian SMith	Craig Weaver
Ron Doles	Bob Romero
Brad Green	Tim Pimental

FNC management has undergone some drastic changes. It appears that Dave "I am the king" Moeder has bought out Kevin "When did this happen?" Russo's stock in Fubar Management. IT now appears that Dave "I have it all" Moeder is Captain (99%)! Kevin "this is BULL@!#%&g" Russo was unavailable for comment. On to other news, Chris "stick-man" Roth has been injured. The FUBAR Medical Center (FMC) has transferred Mr. Roth to the ROTH Trauma Center for further tests. Neither center will release information on Roth's status. Roth however said in a press conference, "I will play in the tournament, I don't care what happens!" FNC will reward ROTH with an additional "Bonus" for his dedication to the ball club. NOT!

GAME NEWS-

The FUBAR TOURNAMENT TEAM (FTT) will be converging for a game/scrimmage on Sunday OCTOBER 25th. The FTT will either have a practice or, if negotiations continue a scrimmage pitting the FTT versus the 99.9 FM team. The date again:

OCTOBER 25th (SUNDAY)

All Fubar players are reported to report to the event. FNC has deemed it a MANDATORY attendance event. This means you Chris Smith! As for the FUBAR Spring Ball-Club, player cuts and contract deals will be determined after the Tournament. FNC will release the time and dates of the OCT. 25th reunion and the tournament at a later date. Until then FNC wishes all well and hopes to see you soon...

FUBAR News Corporation

Hello again FUBARians! The top story, FUBAR's put G.E.'s LIGHTS Out! Yes gentlemen, after a three year stretch, the FUBAR's have prevailed. Between the dates of November 2 thru November 5, ERAU was host to four days of gut-wrenching, bile-gushing, cut-throat softball! Fourteen teams entered the tournament, all confident they had what it takes to be the best, but when the guns were silenced, and the smoked cleared from the battlefield, there stood eleven men who would call themselves the FUBAR's. Total domination was the key as the FUBAR's kept it together throughout the entire tournament. Led by their fearless captain Dave "I am the King!" Moeder, the FUBAR's reeked havoc amongst the greatest of foes to stand before their nemesis GROUND EFFECT. The FUBAR's eager for the taste of blood and the thrill of the hunt, put the lid on their victory at approximately 6:50pm on November 5th. The tournament was filled with dazzling highlights. The FUBAR outfield looked like an intense choreographed acrobatic routine, while the in-field looked as sharp as the blade of a Ninja's Long Sword (Ow-kuh-chu)!?

Various players deserve recognition for there playing during the tournament, so FNC feels it is necessary to list the roster that made it all possible:

Chris "Bulls-eye Baby" Roth - Pitching 7/12
Jeff "Did I hear "uncle"?" Wood- Utility 8/11
Bob "War-Cry" Romero - Outfield 7/11
Dave "Stretch" Moeder - 1st Base 4/11
Kevin "Warrior Boy" Russo - Short-Stop 4/10
Brad "I'm Home?" Green - 3rd Base 8/11
Chris "I am the Greatest" Smith - Outfield 5/11
Rui "I am ON FIRE!" Pereira - Outfield 5/10
Jeff "I'm Back Boyee?" Engel - 2nd Base 2/4
Ed "Bark like a dog" Gordon - Rover 4/9
Craig "the senior citizen" Weaver - Catcher 3/6

Despite various portions of those statitics, all FUBAR's hit when it was critical to a FUBAR victory. One spectator was quoted as saying during one game, "These guys are amazing!" Rumor has it, it was not someone from the opposing team. The following are the MVP's for the FUBAR ball-club for the 1992 tournament team;

Bob "We kicked #\$\$@\$\$&ø!" Romero 7/11 6runs,5RBI's,3doubles,1triple
Brad "Unbelievable" Green 8/11 3runs,4RBI's,1double, 2triples
Jeff "Saaa-Weeet!" Wood 8/11 6runs,5RBI's,2doubles,1Home-Run

FNC will discuss contract renegotiations for the Spring season as Brad "it's gonna take some serious cash" Green, and Bob "I'm outta here!" Romero will be eligible for free-agency!?

Rumors are ciculating that everyone and their uncle wants a piece of the FUBAR franchise. What do we say to that. Here at FNC we say "BITE ME!" The following were the games and there respective scores;

Lambda Chi 0 vs FUBAR's 13
Rototillers 2 vs FUBAR's 4
FUBAR's 15 vs Sigma' Chi 5
FUBAR's 10 vs Ground Effect 4

After various discussing with various people, it was determined that this FUBAR victory will be dedicated to all those who came to watch the FUBAR's as well as assist in the running of a smooth team. This also includes a Mr. Stephen "Bookmaster" Taylor; a legend in the FUBAR organization. FNC wishes to thank all for their humble support!

So, this concludes the FUBAR Fall 1992 Season. The FUBAR's will continue to train against various opponents through-out the remainder of the semester as well as recruit for the Spring. At which time we hope MR. Ron "cripple" Doles will be removed from the DL and be placed at READY status. Once again men, Great job and remeber, FUBAR's are the smashin', crashin', thumpin, pumpin, jumpin', rockin', rollin', thrillin', chillin', mean, nasty, dirty, ugly, killing kick ASS team!

Later Boys,

Intermural department hosts competitions during Homecoming

By Jaye Howell

Sports Editor

In support of Homecoming, the intramural department sponsored special softball and floor hockey tournaments.

The Fubars won in softball, while the Breakers won the floor hockey competition. Both champion teams were awarded special Homecoming T-shirts after their victories.

The first round of floor hockey was played on Monday, Nov. 2. Lambda Chi defeated the Force in the first game by a score of 4-2.

In the second game of the night, Random Violence shut out the Village People with a score of 5-0. The Breakers started toward their championship with a win over

Sigma Chi. In the final game of the evening The Kings defeated OPP by a score of 7-1.

The next day, Random Violence lost three to four in a tough game with Lambda Chi. The game went into overtime as the score was tied three to three at the end of regulation time.

In the second game, the Breakers defeated the Kings. On Wednesday, the championship game was held. The Breakers came out and dominated the game. They won the game by a score of 8-0.

The individual scores for the softball tournament were not available, but it is known that the Fubars won the final game on Thursday.

Overall, the competition created a much needed diversion for students.
