**Spring 1993**

**“Vulgar Display of Power”**

Spring 1993 was just, in a word, "magic." This was our "first time." We fought hard through the season and ended it undefeated 10-0 and won the "A" league championship against our arch rival Ground Effect. The season could not have been written any better and I wouldn't do it any justice trying to write anymore about it now. For me like everything I do, it was some finality. After 3 years of hard work and dedication, I led the boys to the championship. That's what I wanted. That done now I just wanted to play, let someone else lead. As far as I was concerned the foundation was set and the team was very solid at this point. We were sitting on a total win percentage for the FUBAR's of 91.6% with 24 wins and 2 losses over the last two year period for all games played (year one was not included in this statistic :o) The dynasty had begun!...

# FUBAR News Corporation

Hello my fellow FUBARIans, welcome back from your vacation. FNC would like to wish all a be-lated happy holidays, but it's not in your contracts, so your out of luck!? ANYway, to fill you all in on what's up in the FUBAR organization, grab a seat and read on dudes...

It appears the FUBAR's will be undergoing some changes this season (as usual), which do not include the upper management - sorry guys! Anyway, the FUBAR's have lost a couple of players since the Homecoming tournament last Fall, but traded off by acquiring these fine players:

Paul "the missing!" Johnson  
Brett "the grunt" Gaylord

The big news is Chris "I'm goin' in the majors" Roth has left the FUBAR's organization. Rumours were circulating that after heated negotiations with FUBAR Upper Management (FUM) aka Dave "No Holds Barred" Moeder, Chris was banished from the FUBAR "kingdom" and any FUBAR "activities. The Truth?! however is that Chris has left to pursue a Co-Op and will not be with the FUBAR's this season!. FNC has mentioned that it was unfortunate to lose Roth and was overheard saying, "Why couldn't it have been Pereira?" Just kidding Rui you little... Little... whatever the hell it is you are!?

The next order is our annual FUBAR Dues. That's right, FNC has come to most of you, but some have yet to make their "donation" to the FUBAR ball-club. We won't mention any names (Weaver), but you know who you are, so get that money in as soon as possible!

Our jerseys should arrive a week from this saturday.

Last order of business is practice, this is the following FUBAR schedule as of date:

Practice:

**SUNDAY JANUARY 24th @ 3:00pm @ Campus Field**

PRACTICE IS MANDATORY, THOSE FAILING TO SHOW WILL BE DEALT WITH ACCORDINGLY AND MAY HAVE TO ANSWER TO CHRISTIAN "The Intimidator" SMITH!!!!!!

Our first game will be the following Sunday January 31st.

See you all this Sunday and get those "donations" in, thanks.

"VULGAR DISPLAY OF POWER"

Hello my fellow Fubarian's. Time and time again I have greeted you with that saying and it's time I think of a new one? I have a problem with thinking (makes my head hurt) so it may actually take a while!?

Anyway, the Spring 1993 season is upon us and the FUBAR's are psyched and ready to go!!? I have two words for our supposed opponents last Sunday, "No Show", I have one more word, "LOSERS!" It appears that last Sunday, the FUBAR's were to play a team by the name of BLADDER BOYS. They must have heard rumors, saw the news, I don't know, but something told them to stay home that afternoon! So, the FUBAR's being without an

opponent elected to play a pick up game with, that's right their nemesis The ROTOTILLERS (what the hell is a rototiller anyway?). The FUBAR's coming off a pre-season loss to the tiller's decided to seek revenge. It was slow going at first, with the FUBAR's trailing, but the guns came alive in the 4th inning when an additional 4 runs were added to the FUBAR's already one and the final score was etched in everyone's mind. So, the FUBAR's won 5-4 over the ROTOTILLERS, and as quoted from Rui "Dude, you didn't play me" Pereira, "We ain't lookin' back!!" Although the FUBAR's ball-club had a few shaky moments, we were reminded by Jeff "I'm a machine" Engel, "Don't forget, your dealing with a semi-rookie squad with a lot of new players whose potential hasn't been fully exhibited." The FUBAR NEWS CORPORATION (FNC) has released a statement to the press stating, "Our ball club has always strived to be the best, and though we lost a FEW GOOD MEN (paramount 1993), we acquired additional players with great ball-playing potential." So, there you have it straight from the horses mouth! (No Rui, we said horses mouth, not horses ....) Anyway, it's that portion of the newsletter where we show you what you did last Sunday:

Jeff "the Wild-man" Wood	1/3	1run		
Chris "the missing" Smith	1/2	1run		
Scott "the new guy" Placella	1/2	1run	1rbi	
Dave "coach!?" Moeder	1/2	1run	1rbi	
Kevin "Is there anything I can't do?" Russo	1/1	1rbi	1sac	1double
Jeff "the WALL" Engel	0/1	1sac		
Ed "Rover's don't bark!" Gordon	0/2			
Craig "the Rookie" Whitehead	1/2			
Ron "Swifty!?" Doles	2/2	1run	1double	
Paul "Why did I have to catch?" Johnson	1/2			
Brett "Don't make fun of my name" Gaylord	1/2	1rbi	1double	
Craig "I wasn't supposed to be here" Weaver	0/2			
Rui "I need SLEEP!" Pereira	0/1			

Well, there you have it, the stats from last Sunday. FNC is not sure whether they will count yet, that is still under discussion. The last order of business, is the following: NEVER TRY AND STRETCH A DOUBLE INTO TRIPLE IF YOU DON'T HAVE A PRAYER! I'll let you know when the next game is later in the week!?

DAVE Capt. '99%

P.S. FNC would like to say it's Superbowl Bash was a great success and thanks to those who came! Sorry some of you couldn't. Sorry you weren't invited RUI??!

"VULGAR DISPLAY OF POWER"

Well, well, how are we this week? It appears The FUBAR's are having a good week at that! After two weeks of ball, the FUBAR's jump to the top with a record of 2-0. Who do they share that position with? Who cares is what we think!? So, what's the news? Well, it appears that the FUBAR's played against the BUSH PILOTS and for lack of a better term, "Grounded" them, "Pummeled" them, took away thier right to live baby! The FUBAR's won by a score of 12-2 no thanks to Capt. Dave "I Rule" Moeder's 0 for 3 performance. but, needless to say, but let's brag, the FUBAR's went home early last Sunday! Goats of the game, Dave "Denied!" Moeder, 0 for 3 hitting! (fielding was good though?!) anyway, and Rui "I think I can" Pereira who was taken out trying to stretch it home, obviously learned how to run bases at the Ron Doles Base-running Institute! FNC would like to acknowledge those players who performed above and beyond the call of duty... Jeff "Stroke-Man" Wood 2/3 w/ 1 Home-run, 1 double, 2 runs, and 3 RBI's; Scott "I'm a New-Bee" Placella 2/3 w/ 2 doubles, 2 runs; and Kevin "Five-Man" Russo 2/2 w/ 2 runs, and 3 RBI's; lastly would be Christian "Don't TEST me!?" Smith who made a spectatular catch to finish the game, nice job guys! For those of you keeping track, here's the latest stats:

Jeff "I AM the greatest" Wood	2/3 1HR, 12B, 3run, 3 RBI's
Craig "I need a catchycname" Whitehead	0/2 2runs, 1BB
Scott "Let's talk franchise" Placella	2/3 22B, 2runs, 2RBI's
Dave "Slump" Moeder	0/3
Kevin "I'm on fire baby" Russo	2/2 3runs, 3RBI's
Christian "It's a bird, It's a..." Smith	2/3 1run
Jeff "Do I do anything, What gives?" Engel	1/3 12B, 1run
Brett ".....!?" Gaylord	1/3
Rui "Dude, I was safe!?" Pereira	2/3 1RBI
Ed "WALKer-Boy" Gordon	0/1 2BB, 1run
Paul "I'm gettin screwed" Johnson	0/2 1run

Not at the game was Ron Doles and Craig Weaver!? Don't ask! Anyway, we are having a practice this weekend on saturday, here's the info: Oh, this is MANDATORY!!!

Saturday February 13th @ 12:00pm on the Campus Field

Be there, or face the Spank machine!? So that's it for the news, on to current events? There has been a Roth sighting. Several eyewitnesses report "seeing" Chris Roth purchasing a quart of milk and some TIC TAC's at a local convenience store in UTAH! FNC has released a statement that they are unaware of ROTH's presence and that they had a "hard enough" time trying to just get rid of him!

Look for these up-coming stories...

Who's going to run the FUBAR's, what's their future?

Rui Pereira: A look inside; Empty or just confused?

Ron Doles the man, the myth, the legend

Christian Smith: the gentle giant.

#69 Wood-coincidence, I think not!

Dave "D-Man" - The brains behind the Brawn.

The new-guys - do they have what it takes to be called FUBAR's?

That's the news and I AM - OUTTA - HERE!

"VULGAR DISPLAY OF POWER"

Win v. defeat{others}; to gain victory in a contest; to receive n. victory; the act of winning syn. gain, succeed, prevail, crush, pummel, dominate, destroy, FUBAR.

Well, it happened once again... the FUBAR's were the dominant last Sunday against the HOLY ROLLERS. It was a shaky start as the FUBAR's were losing, but then they unleashed the beast! The aftermath was bloody, and in the end sifting through the carnage, the FUBAR's came out with a 13-6 victory. So, what does that mean for the FUBAR's, well it means 3 wins 0 losses. What does that mean? It means "AWesome". After the game, FNC asked Kevin "Wild-Thang" Russo for a statement, Russo was quoted as saying, "You mess with the best,... you die like the rest!" Other FUBAR's were asked for comments, Ron "McDonald" Doles, "We goin' 'ta Sizzler."; Brett "I'm a hetero" Gaylord, "I'm in the Air Force and I haven't seen this much firepower on an F-16!"; Paul "PaJo" Johnson, "Just get outcha seat and jump around!"; and lastly, Christian "I'm 6'5", I don't scare easily!" Smith, "three for three, man this is too easy!" All in all, spirits are up in the FUBAR organization. The big story, Scott "Placenta?" Placella. This is the man to watch. So far a shoe in for rookie of the year. It is still early in the season, but batting .833 5/6 with 2 doubles, a triple, home-run, 4 runs, and 8 runs batted in (RBI for you playing at home!), he is looking real good!? We'll have to watch and see what progresses? O.K., here's your stats gentlemen;

Craig "Outfield-Lord" Whitehead	0/3	
Ron "I don't comb my hair" Doles	2/2	2B, BB 3R, 1RBI
Christian "On fire, and spreadin'" Smith	3/3	2B, 3R
Scott "I'm not looking back!" Placella	3/3	3B, HR, 1R, 6RBI
Kevin "The Sniper" Russo	0/1	BB, 1R
Dave "What's goin' on?" Moeder	0/1	BB, 1R, 1RBI
Brett "Shut up Moeder!" Gaylord	1/1	2B, BB, 1R, 1RBI
Rui "Does anyone understand me?" Pereira	1/2	1RBI
Jeff "I'm better than #@\$%#@# 9th!" Engel	1/1	2B, 1R, SAC
Ed "Woof Woof?" Gordon	1/2	1RBI
Craig "You know you won cause I showed!" Weaver	0/1	BB, 1R, 1RBI
Paul "Why am I batting last? Screwed again!" Johnson	2/2	2B, 3B, 1R, 1RBI

Well that's the stats, any questions? For your own personal knowledge, our team is batting a total average of .535! On to next weeks, or I should say, this weeks agenda...

## PRACTICE (MANDATORY)

Saturday on the Campus Field @ 12:00 high noon!

## GAME

Sunday on Campus Field @ 11:00am versus UNDERTAKERS

As you can see we will be playing a team that will be able to dig their graves before they face the FUBAR Firing Squad (FFS). I hope you will all be at practice and the game. Unfortunately, Jeff "Athlete Supreme" was unable to play last Sunday, but should be back in full force this week! See you all at the game, and stay tuned for this upcoming story;

Jeff Engel - Exceptional ballplayer, or just lucky?  
Ron Doles - What is he anyway?

# FUBARS

"VULGAR DISPLAY OF POWER"

Hello my fellow team-members, how are we this week of March? Well, the FUBAR's have done it again, on Sunday, Feb. 28th, the FUBAR's defeated the UNDERTAKERS. That makes it, that's right 4 and 0! Well, the FUBAR platoon was slightly short-handed last Sunday as privates' Scott "deserter" Placella, Paul "the woose" Johnson, and Craig "the spirit" Whitehead were listed as MIA!?! The FUBAR Intelligence Agency (FIA) has not given any status report as to the whereabouts or condition of those men?!

Needless to say, but we will, the FUBARS still managed a defeat despite their dilemma. The FUBAR's took an early lead early with a two run homer by Jeff "Pine-Tar" Wood. The FUBAR's continued in the top of the second inning by scoring another five runs. Then a funny thing happened, Craig "voo-doo" Weaver arrived (late) to the game with some Magic Beans, and the FUBAR's were done! The score was a final 7-5. Here are your stats boys:

Ron "Eject--Eject--Eject" Doles	1/3 1R
Jeff "KA-BOOOOM!" Wood	2/3 1HR 13B 2R 4RBI
Rui "number three?" Pereira	2/3 1R 1RBI
Christian "Thought I was a no-show" Smith	1/3 1R
Kevin "Overdrive" Russo	2/2 1RBI 1BB
Jeff "I bat before Dave?!?" Engel	2/3 1RBI
Brett "Not this week!" Gaylord	0/3
Dave "I'm on my way back!" Moeder	1/3 12B 1R
Ed "I still got the run!" Gordon	0/3 1R
Craig "Hexed" Weaver	0/2

Well, there's the stats, just as you like them!?! Play of the game, Jeff "clueless" Engel's amazing base-run with 1 out! Good job, now listen to us, not Ron! Babble of the week, goes to, naw couldn't be, that's right, Rui- who said, "a Buh Buh Duh Dude uh Duh Huh Huh?!" For those of you who couldn't make it to Larry's afetr the game for our post-game luncheon, you missed it, talk about a good time!

New news, this Sunday, the FUBAR's are pitted against a menacing opponent by the name of SOCIAL DISORDERS. Despite whether they may have any or not, rumour has it, they play a mean game of ball. So, what does that mean for the FUBAR's? It means we go out there on Sunday in FULL FORCE!, No holds barred, with the thirst for blood! So here's your pertinent info. for this week...

## PRACTICE (MANDATORY)

Dave- Capt.

P.S. This Sunday, traffic will be backed up due to the BIKE WEEK parade. Plan on leaving early for Sunday's game if you have to cross Volusia Ave. (Int'l Speed. Blvd.). Use the airport road to get to the field to avoid the parade. They will not let you cross!!! So, leave early and see you at the game! DM

VULGAR DISPLAY OF POWER "

Ready...Aim...FIRE! Well, time to write off another team that has fallen victim to the FUBAR clan. Last Sunday pitted the infamous FUBAR's at the Campus Field against the dreaded (NOT!) SOCIAL DISORDERS. FUBAR insider information was notified prior to game time that this team would mean business. Well, apparently, this team had unknowingly overdrawn their account and the FUBAR's were about to close it out for them. The FUBAR's were victorious by a score of 12-2, which meant that the FUBAR's even went home early! It was ironic how well the FUBAR's played in their absence of Craig "Jynx-master" Weaver. Fortunately for everyone, Rui "Hey, are you guys Portugese, I thought you was GREEK!" Pereira showed up, so no-one had to worry.

Well, this puts the FUBAR's at a record of 5-0, let me repeat 5-0, which means what? Well, it means that the FUBAR's are currently tied for first place with their arch-rivals, their all time nemesis GROUND EFFECT. So, where does that leave us, at the top of course. The FUBAR Ball-Club is numero uno out of 34 teams. The FUBAR defensive organization was approached for a comment to which they gave the following statement, "We like what our boys are doing, we don't foresee any major changes to our current set-up!" they went on to add, "It's hard to determine who to play with all this talent." The FUBAR offensive department (also known as DAMAGE INC.) was also asked to comment on the current status of the ball-club. They gave this statement, "You relly can't ask for too much more, our only set-back is letting that scrub Engel see the light of day!?" This weeks stats look something like the following...

Ron "the tortoise" Doles	3/3 2B, 3B, 1RBI, 2RUNs
Jeff "the ever-surpassing" Wood	1/2 HR, 2RUNs, 3RBI, SAC
Chris "I will dominate!" Smith	1/3 1RUN
Scott "I'm am just too good!?" Placella	0/3 2RUNs, 1RBI
Kevin "NBC-Mon. @ 8:30pm?" Russo	1/1 2RBI, 1RUN, BB
Jeff "Nice cleets ya panzy!" Engel	1/1 1RBI, SAC
Dave "LOOK, I spent the money!" Moeder	1/1 2RUNs, 1RBI, BB
Ed "FLASH!?" Gordon	1/1 1RUN, BB
Paul "AAA, Sit down Rui!" Johnson	0/1 SAC
Craig "The cannon - KA-BOOM" Whitehead	1/1 3RBI, BB
Brett "Slump-maker" Gaylord	0/2
Rui "Dude? Yo Wus up wit dat?" Perira	1/2 1RUN

That's what the boys did last Sunday, here's your important info. for this weekend, write it down, staple it to your shorts...

## PRACTICE- MANDATORY!!!!

VULGAR DISPLAY OF POWER

Hello FUBARIans one and all. Well, it appears that mother nature decided to follow in the traditional FUBAR manner and sweep over all and cause utter destruction and terror among millions. But, mother nature failed to "avoid" our little Nook here in Florida, so last Sunday's games were cancelled due to, can you believe it?- Cold!? What's going on down here? What's a little 20, 30, 50 degree temperature change, we're men (tests pending on Gaylord), we can handle a little cold weather! Anyway, the FUBAR's had a nice little pre-playoff sabbatical. Now, it's time to rock n' roll! The FUBAR's are looking at the number one seat in the playoff bracket! The "current "A" division playoffs consist of 16 teams. The FUBAR's will have to win four to clinch the championship. The playoffs are single-elimination, and games are otherwise as always during the regular season. The first round will be this Sunday. The FUBAR's will be pitted against LOS BITCHOTOS? Believed to be decendants from the Pereira Clan of Northern New Jersey, they pose no immediate threat to our ball-club. Actually, any team is dangerous at this point in time. The regular season statistics have been finalized as of our last regular game which was played two Sunday's ago. The FUBAR's ended with a record of 5-0 and number one in division "A" standings. That leaves us in pretty good shape. The following is all pertinent info. you will need for this weekend...

PRACTICE-

SATURDAY MARCH 20th on the CAMPUS FIELD @ 12:00pm \*\*

\*\* Practice is mandatory for all FUBAR personnel!!!

GAME-

SUNDAY MARCH 21st on the CAMPUS FIELD @ 12:00pm

The FUBAR NEWS CORPORATION would like to see all FUBAR personnel at Sunday's game. Maybe then a team photograph can be attained. There will also be discussion this weekend of where and when to hold our 2nd annual FUBAR-B-QUE! Attendance to which is optional, thus the less that show, the more foreveryone else.

There has been some question to how/ when and what the FUBAR dues have been used for. The FUBAR FINANCIAL DEPT. (FFD) has released a statement to the press hoping to clarify the situation for all parties involved. The statement read, "We here at the FUBAR Finace Dept, or FFD would like to put everyones minds at ease and say that their "dues" are being used for worthy causes. Mr. Moeder's routine trips to the Bahamas are necessary for the succes of the organization as well as his overseas trips to ensure international relations. The FUBAR BANK (FB) is not empty, but is "dented". There is also that matter of equipping our men for battle, that was no small change you know." The statement went on, but the meaning was the same, The MANAGEMENT makes the rules!

So, that's the news for this week in March, see you at the game!

playoffs are the start of new stats, or playoff stats as they are referred too....

Hello FUBAR's, once again the ball-club of utter destruction has dropped it's fist on their opponent. The FUBAR's were pitted against a team by the name of LOS BITCHOTES. Well, with three of it's players missing, the FUBAR's still managed a 16-1 crushing defeat. So, the boys left early and met up at LARRY'S. Where Rui was taught the correct meaning of an acronym and Dave was taught that the FUBAR's were the team to beat!? Anyway, the FUBAR's played a marvelous game despite a few errors in the first inning? And Kevin "Nolan Ryan" Russo obtained two "K"'s during aspectacular display of pitching. Oh yeah, Ed "Puppy Dog" Gordon also caught a ball he actually slid to catch. Well, it's time once again for the weekly stats. Oh, the

"VULGAR DISPLAY OF POWER"

Hello boys, hope your all in fine spirits on this week of April? What's news? Well, the FUBAR's prevailed once again this season, winning two games this past Sunday, to push their record to 8-0!

The first game was the FUBAR's vs. the team called the MIGRATING COCONUTS. It was a slow start for the FUBAR's who trailed most of the game by 3 runs, until the top of the last inning when the boys came back to lead 5-3. A few of those runs were acquired by a hit from Dave "I'm Amazing" Moeder, but FNC feels he got enough "praise" for his efforts already, so we'll leave it alone. So ended the first game with a 5-3 victory! The boys met at LARRY's for a brunch and to replenish lost energy and work a strategy for the next game. So, at 2:00pm the FUBAR's

were back for the attack playing against the UNDERTAKERS. the FUBAR's, who are approx. 4-0 versus this team had no trouble finding their marks and took an early lead of 7-0. When the game was over, the FUBAR's were victorious 7-1, and the boys are going to the show! Here are the stats for last Sunday's games (totalled):

Christian "leading edge" Smith	2/5 1run,1rbi,sac
Ron "one-tooth banjo player" Doles	3/6 1run
Scott "the all powerful" Placella	3/6 3B,2runs,1rbi
Kevin "the @!%#! on the mound" Russo	1/4 1run,sac
Dave "medicine man" Moeder	5/6 2B,2runs,4rbi's
Jeff "the shield" Engel	1/5 1run, BB
Rui "Bump and Grind?!" Pereira	4/6 2B,1run,1rbi
Brett "Cro-Mag" Gaylord	3/5 1run
Ed "stick figure" Gordon	1/5 1run,1rbi
Paul "evolution; Stage IV" Johnson	2/5
Craig "best for last" Weaver	2/4 1run,sac

For those who made it, FNC wishes to express it's gratitude for the attendance at Monday night's practice at 5:00pm. There will be another practice on (oops!?) Easter Sunday, so if your not going to be away, or inchurch, come out to practice. Now for the big story, GROUND EFFECT. The FUBAR's will be playing their all-time nemesis for the championship. Destiny has set it course, now the FUBAR's must claim the dominant role. Here's the game info...

### CHAMPIONSHIP GAME:

MONDAY April 12th @ 6:00pm on Campus Field vs. GROUND EFFECT

Hope you can all make it to the game. This is what we worked for, let's do it with style! See you at practice, and enjoy the holidays.

Happy Easter from FNC.

EVOLUTION OF FUBAR!

## FUBARS

"VULGAR DISPLAY OF POWER"

Hello again dedicated FUBAR fans and followers. Well, it happened again; the FUBAR's put their all too common strangle hold on the softball community one more time! It appears that the war to end all wars carried out this past Monday Night. It seems the FUBAR's were to end the season with a battle against their arch-rivals' GROUND EFFECT. Well, the FUBAR War Machine (FWM) was slow going at first, but in the end, GROUND EFFECT couldn't penetrate the gauntlet! The FUBAR wall was unstoppable and the FUBAR's dominated with a 7-2 victory, clinching the "A" Division championship and national recognition!?

So, the FUBAR's end with a 10-0 season! There is only one word; "Awesome"! If you add last fall's championship homecoming tournament, the FUBAR's are 14-0, add last Spring as well, we are looking at something like approx. 24-2. Which could also be translated this way... Any time a team is listed as our opponent, there is a 91.6% chance they will lose, one word - "AWESOME"! I think ya hear me knockin', I think I'm comin' in?

So, after 4 years, the FUBAR's, still a relatively young team, clinch an "A" Division championship. 36 teams started in the league, only one stands above the rest! The FUBAR's won last fall's tourny at Homecoming, but over 16 teams, still not the caliber of play experienced during the Spring league. That's what we call total domination, and if you count the two championship wins by the FUBAR affiliate (still a separate ownership, we supply players) SUDDEN IMPACT, that's four championships in a single year! That may be a first in Embry-Riddle history?

So, what's in the future for the FUBAR organization? That is still to be decided. Rumours are circulating that the mighty overlord Dave will step down! Various contracts are being drafted in the event he does in fact leave. Mr. Moeder has already taken phone calls from Yankee owner George Steinbrenner, but has not yet come to a decision. Jeff Wood has been barraged with numerous contracts, as his FUBAR career is over. Mr. Wood couldn't be reached for comments, but FNC says, "We're losing a hell of a player, but time heals all wounds." Jeff Engel may be staying on just a little longer as his striking performance caused many a scout to conveniently lose his contracts for pro-ball! Christian Smith will be moving on as well, FNC doesn't know how they will fair without this giant among men, but as quoted, "he wasn't really that good to begin with!?" (That's a joke for you playing at home!)

Well, normally, now would be the proper time for stats, but some bonehead, who shall remain nameless (Ron Doles), left them home! So, we will do something new, and different. It's time for the FUBAR Player of the Year Awards: for the following areas in which those players have shown a certain dedication. So, let's we go....

Most diving attempts without a catch .....	Ed Gordon
Best Base-running .....	Ron Doles
Rookie-of-the-year .....	Scott Placella
Most easily agitated .....	Jeff Wood
Most closely resembling to homo-sapien .....	Brett Gaylord
Most likely to become a teen heart-throb .....	Kevin Russo (NBC)
Destined to have a talk-show .....	Rui Pereira
1st to actually wear Depends .....	Craig Weaver
Cy Young .....	Kevin Russo (again)
Most likely to strafe the flight line in a 172 .	Paul Johnson
Best attendance .....	Craig Whitehead
Most likely dropped at birth .....	Dave Moeder
Least talkative and most coherent .....	Rui Pereira

Best batting .... Jeff "

" Engel

shall we go on? O.K. excellent...

Best improvement ..... Jeff Engel  
Most dedicated ..... n/a  
Most likely to make Charles Manson look like a saint ..... Chris Smith  
Overall dancing ability (like there's any question!) ..... Rui Pereira

and finally, Captain of the Year ..... ??!!

So, there's the 1st annual FUBAR awards. Unfortunately, there is no prize or money involved. So, what's coming up for the FUBAR organization? Well, don't forget about the ever famous, no one dares to compare; FUBAR all-day picnic and drunken orgy! Otherwise known as the 2nd annual FUBAR-B-QUE! It will be held this Sunday at approx. the time everyone shows up! (HA, I kill me.) It will be at 1:00pm (approx.) and the location will be determined at a later date.

Well FUBAR's, this is it, the last newsletter of the season, possibly the last by this reporter, as he may be moving up to write a column for MAD magazine. However, it would be unfair to leave out a special thanks to all those who supported the FUBAR organization. We here at FNC have compiled a list, and though it is not (by far) in its' entirety, wish to express to those our gratitude.

Thanks: Nancy, Tanya, Candace, Steve, Denise, Amy, Ashley, Brad, The WOODIES, Greg, Vince, Coca-Cola, LARRY's Giant Subs, Jesse, Dale, SUDDEN IMPACT, Mitsubishi, Ford, Dodge, Mazda, Easton, Titan, Spalding, Wilson, Ron's Socks, MacGregor, Nike, and anyone we failed to mention (due to stupidity) that has been there for someone on the team.

Without the support, the journey would not have been as smooth as it was, thanks!

And so, on that note, I will be signing off, possibly for the last time, one can never tell. It's been a great year (literally), for those staying, keep the dream alive, for those actually leaving, best of luck in all your endeavors (look at the FUBAR's - a great example of persistence and patience.) Later Boys.

DAVE

#### Soft ball championships

The Fubars and Underdogs captured the Spring '93 Intramural Softball Championships on Monday, April 12. The Fubars defeated Ground Effect for the Division "A" title by a score of 7-2. Solid team play, both offensively and defensively, were the keys to the victory. This victory finished off an undefeated season and finished with a 9-0 record. Ground Effect suffered its first and only defeat and finished 9-1.

The Underdogs defeated the Woodies for the Division "B" title by a score of 11-6. A five-run, seventh inning sealed the victory for the "dogs." The Underdogs finished with an overall record of 5-2-1, while the Woodies were 5-4-1.

Congratulations to the Fubars and Underdogs on their outstanding accomplishment. The league started with 46 teams.
